APPROVED STORAGE TANK SYSTEM EQUIPMENT  
62-761.850, and 62-762.851 F.A.C**

**November 7, 2006**

The following is a list of manufacturers of approved storage tank system equipment. The list contains equipment that has been approved after December 10, 1990, and does not include equipment approved under Chapter 17-61, F.A.C. The Florida Department of Environmental Protection does not specifically endorse any particular manufacturer nor is it responsible for any failure or malfunction of the product or equipment.

For corrections or questions about the list, please e-mail Farid Moghadam at [farid.moghadam@dep.state.fl.us](mailto:farid.moghadam@dep.state.fl.us) or call 850/245-8848. The list is as follows:
